

STEVENAGE

November 2022

NEW ELECTORAL ARRANGEMENTS

Currently there are:

- 39 councillors
- 13 wards
- 3 councillors per ward

123 residents and organisations
helped shape our recommendations

We aim to make sure Stevenage
councillors represent a similar
number of electors

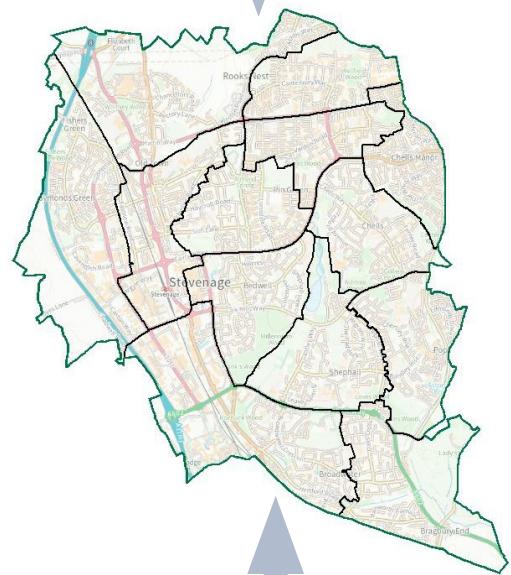

Currently there are:

- Four wards that are more than 10% away from the average number of electors per ward
- One ward that is more than 25% away from the average

From elections in 2024:

- 39 councillors
- 13 wards
- 3 councillors per ward

Stevenage will move towards:

- No wards being more than 10% away from the average number of electors per ward
- Each councillor representing an average of 1,807 electors
