I live on Haymoor, near Standalone Farm. Currently we are part of the Grange ward. Being in this ward does not make sense - we are part of Wilbury. All the children on this road go to Icknield or Wilbury schools. My son is at Beavers at St Thomas Church on Bedford Road, where we visit the excellent community cafe each month. My wife was a governor at Wilbury and is now on the WISPA committee of parents for both schools. Our local shops and takeaways are the Tesco Express. Our nearest pub is the Wilbury. The current boundaries do not reflect the community for us on these roads. For these reasons, I'll believe Haymoor and Longmead roads should be part of Wilbury Ward.
