

Fareham Borough Council

Comment text:

I live in North Boarhunt, which has Fareham in my address, and yet I see North Boarhunt is excluded from the boundaries of Fareham. I assume this is due to the Post Office boundaries, and not the Council. Excuse my ignorance, but I have always thought that Post Office and Council would appear under the same wards/boroughs? Is North Boarhunt under the Borough of Fareham at present? Thank you !
