Comment text:

My area, Catisfield is locally considered to include Catisfield Lane, Catisfield Road and the roads that into them. The proposed new boundaries splits Catisfield between two wards whereas the existing arrangement has all of Catisfield in the Titchfield ward. I would like to propose that the Meon ward be slightly extended to include the rest of Catisfield and the houses north of The Avenue (but excluding the roads between the Avenue and Hollam Drive).
