[REDACTED]	[REDACTED]

### Organisation Name:

### Comment text:

The church has always been at the heart of our community, at least has been for the fifty years I've lived in locksheath. In fact it's name reflects this. Our community identity is at risk, not only that but we will lose our trusted representatives at FBC. The whole boundary is shifting so far west it's now encompassing a large part of sarisbury at the cost of locksheath. No need!!!!
