Comment text:

I am opposed to Catisfield being split we have a Catisfield Village association which does good work in the village and is drawing more interest and does a lot of charity work ,Catisfield has historically been one with the boundary working just fine and does not need being split please stick to Fareham Council recommendation and leave Catisfield in the exciting ward . Many people thought Catisfield enjoy being able to meet and take part in what is on offer at the CVA which is becoming popular with residents of all ages , Please don't split Catisfield
