Howdon to go all the way to Battle Hill, Rosehill and Wallsend??? Hell no!!! Howdon is east of Churchill street all the way to A19/Tyne Tunnel roundabout! The part you put in Howdon, west from Churchill street is and was always called Ryton Gardens!! After Ryton Gardens to the south is Rosehill and further to the west is Holly Cross!! Never ever was my neighbourhood called Howdon. Keep us out that horrible part of Wallsend and Newcastle. Everyone knows Churchill street is dividing Howdon from the rest of the parts to the west.
