

## North Tyneside Borough Council

### Personal Details:

Name:

E-mail:

Postcode:

Organisation Name:

### Comment text:

Increasing the numbers of councillors is being done in a way to promote a Tory majority. It is unnecessary. If one must do it then even smaller wards would be better. Split any with projection over 8000. Also silly to have Earsdon lumped in with coastal bit of St Marys. Would be better to split Shiremoor area of Valley and join it with South Wellfield and Earsdon.
