Cullercoats should include Brown's Bay i.e. Norma Crescent and Southcliff. Ideally Marden would be a separate ward. This would be everything west of Broadway. It was built c. 20 years after final housing built out east of Broadway. As such Marden and Cullercoats have different identities, centres and character. Otherwise you have streets like Preston Wood included which is really beyond stretching the Cullercoats nomenclature. Football pitch and playground should move from Tynemouth to Cullercoats as used mainly by Cullercoats residents, home to Cullercoats FC and Cullercoats has limited number of green spaces co.pa43
