I believe Nethermayne should be split up to north of the A13 which includes Kingswood & Lee Chapel South South of the A13 be included in Pitsea South East Vange should extend to north of the A13 in line with the station, then south of the A13 be included into Pitsea South East. Pitsea South East should extend to the north of A13 (Bowers Gifford) should be North Benfleet then the remainder being Pitsea South East. Basically use the A13 as a boundary north and south.
