Comment text:

The boundary for Maiden Erlegh ward should be redrawn along it's western boundary to follow Wilderness Road and exclude the University campus which it currently envelops - this should be reverted to Reading Borough Council since the University is associated with Reading town. Shinfield South wards should be either split into two wards (one covering Grazely to the west and the other covering Shinfield itself) or the number of councillors representing it increased to 4 as the population here is much greater than most other wards. Potentially Norreys ward should also be increased to 4 councillors.
