Purely from looking at the map, it would seem there are several wards which are quite small, eg Charvill, Coronation, South Lake, Hawkedon and Norreys - would it make sense to either combine some, or amalgamate with other nearby wards? For example - amalgamate Charvil and Coronation with Sonning. Combing Maiden Erleigh with Hawkedon and Shinfield North. Combine Norreys and Wescott. This would, on the face of it, make wards of a more uniform size.
