

Wokingham Borough Council

Personal Details:

Name:

Organisation Name:

Comment text:

Each Ward should be adjusted to reflect the number of persons in each ward. As the "new" wards will be set for a number of years consideration should be made to Wokingham development plan with regard new dwellings so that the new boundaries do not become "out of date" very quickly. Try to avoid 'splitting a street" so that a councillor would represent both sides of the street.
