It has recently been brought to my notice that the very dangerous A10 Rush Green roundabout falls at the meeting point of 4 (four) local councils. The roundabout is, and has been for many years, incredibly dangerous from queueing for the drive through Macdonalds and a petrol station inappropriately situated on the roundabout. Only when the roundabout is the responsibility of one single council will any action be taken. As no voters inhabit the roundabout a change of the boundaries here to make the Rush Green roundabout the responsibility of a single council would have no effect on representation on any of the councils, so please could this be done!
