### Comment text:

Little Saredon should be administered by Shareshill. We share the same local problems such as the highly destructive quarry, the litter leaving boot sales and local planning issues. Our current Councillor, who deals with Cheslyn Hay (which is miles and miles away, across two motorways and junctions. I have to remind our councillor where we are and feel he never bothers with our backwater so far away. Whereas the Shareshill councillor is fully aware of our problems, is keen to help but his hands are tied due to these current misplaced boundaries.
