I would like to state that I do NOT wish Glenfield to become part of the City. I live in Glenfield Ellis Ward, within a few metres from the Groby boundry (Hinckley and Bosworth District) and it seems unacceptable for the City boundary to reach this far. While writing I would like to comment on the fact I am closer to Groby than Glenfield so use Groby facilities on a regular basis. I find it very unsafe to walk to Glenfield via the A50!! Having said that it would make more sense to be within Hinckley & Bosworth rather than the City. Also, would the County's representatives at County Hall become part of the City??? Please don't let us be swallowed up by the City. Thank you for reading
