Sorry one last one.

Timperley Central - 'Timperley Village' would be a nicer name than the rather prosaic 'Central', and would preserve the old 'Village' ward name.

Kind regards,

Rob

One addition:

Davyhulme Ward - a large chunk of Davyhulme is not in the Davyhulme Ward, and residents west of the golf course consider themselves to live in Flixton, not Davyhulme. I would therefore recommend 'Woodsend' would be a more appropriate ward name. Possibly 'Park' after the hospital, if that's no good.

Kind regards,

Rob

Subject: Trafford ward boundaries

Good morning,

I have the following comments on the naming of the Trafford Wards for the boundary review:

Old Trafford Ward - The historic 'Clifford' ward name should be retained. A large chunk of the resident population of Old Trafford, along with many of the landmarks that make the area famous, like it or not, are not located in this ward. Suddenly having a ward called 'Old Trafford' is likely to cause confusion as a result.

Hale Barns & Timperley South Ward - This is a bit of a mouthful. Although it isn't ideal, for the sake of brevity, I would suggest this simply remains 'Hale Barns'.

Western Parishes Ward - This is a very odd name. I would suggest that, given its area was entirely within the old Bucklow Rural District, the ward be named 'Bucklow', thereby ensuring a degree of continuity.

Manor Ward - This is a far more sensible name than the current one.

Kind regards,

Cllr Rob Chilton
