

## Southampton City Council

### Personal Details:

**Name:** Satvir Kaur  
**E-mail:** councillor.s.kaur@southampton.gov.uk  
**Postcode:** [REDACTED]  
**Organisation Name:** SCC

### Comment text:

I write in support of the Council's previous submission for the Bassett and Swaythling wards. Since 2002, the area known as the Flower Roads has been split between Swaythling and Bassett wards, the original council submission reunites this distinctive community by placing it wholly within Swaythling ward. The Flower Roads are served by one primary school, Bassett Green Primary School, which is currently in Bassett ward, but which would be in Swaythling under the Council's previous submission. The proposal also moved the Swaythling/Bassett boundary along Bassett Green Road and Stoneham Lane which would have reunited a number of roads which had previously been in the Bassett ward.
