

LIVERPOOL

March 2022

Currently there are:

- 90 councillors
- 30 wards
- Three councillors per ward

We are proposing:

- 85 councillors
- 71 wards
- One three-councillor ward,
12 two-councillor wards, & 58
single-councillor wards

A public consultation is open until **8
June 2022**

We aim to make sure Liverpool
councillors represent a similar
number of electors

Currently there are:

- Nine wards that are more
than 10% away from the
average number of electors
per ward
- One ward that is more than
30% away from the average

Our proposals mean that:

- One ward will be more than
10% away from the average
number of electors per ward
- Each councillor will represent
an average of 4,300 electors
