

BLABY

February 2022

Currently there are:

- 39 councillors
- 18 wards
- 6 three-councillor wards, 9 two-councillor wards and 3 single-councillor wards

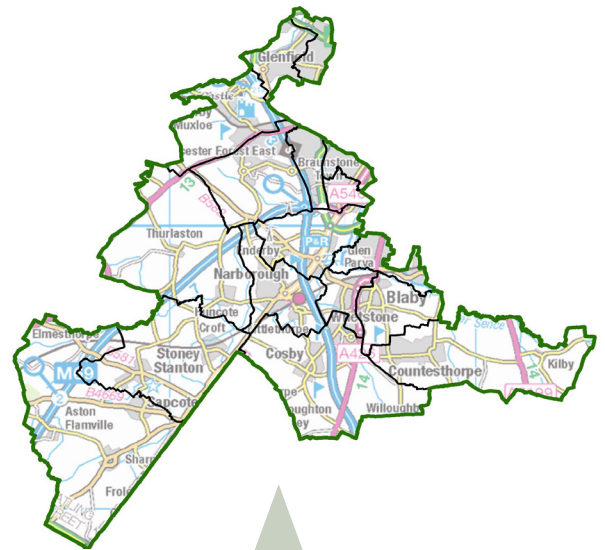

We are proposing:

- 36 councillors
- 17 wards
- 3 three-councillor wards, 13 two-councillor wards and 1 single-councillor ward

A public consultation is open until
11 April 2022

We aim to make sure Blaby councillors represent a similar number of electors

Currently there are:

- 4 wards that are more than 10% away from the average number of electors per ward

Our proposals mean that:

- No wards will be more than 10% away from the average number of electors per ward
- Each councillor will represent an average of 2,344 electors
