

# BASILDON

March 2023

## NEW ELECTORAL ARRANGEMENTS

### Currently there are:

- 42 councillors
- 16 wards
- Six two-councillor wards and 10 three-councillor wards

93 residents and organisations  
helped shape our recommendations

We aim to make sure Basildon  
councillors represent a similar  
number of electors

### From elections in 2024:

- 42 councillors
- 14 wards
- Three councillors per ward

### Currently there are:

- Two wards that are more than 10% away from the average number of electors per ward
- No wards that are more than 30% away from the average

### Basildon will move towards:

- No wards being more than 10% away from the average number of electors per ward
- Each councillor representing an average of 3,400 electors
