### Comment text:

This does not provide any possible changes. It seems that Bondfields might be removed as a ward. This would be a bad step. Our housing and population is growing. We need more not less representation I suggest 39 councillors. Keep Bondfields as a ward and take part of The area south of Cross.and Drive. St Faiths is already very large. Moving the other 3 Leigh Park wards into two wards is then ok if they have 3 councillors each This causes minimal disruption and maintains most of the wards as they currently are. Please do not reduce to 36 councillors.
