

Derby City Council

Personal Details:

Name: Mandy Coons

E-mail: [REDACTED]

Postcode: [REDACTED]

Organisation Name: New Zealand Community Association

Comment text:

As Chair of the New Zealand Community Association we would like to comment on the consultation on Ward Boundaries. The New Zealand Community Association works both in the Morley and New Zealand area of the Mackworth Ward. We have spent the last 18 years building community spirit in both these areas and working with residents of both communities. When we began Community spirit was very low but with hard work and determination that has changed, this is why we believe that the two areas should stay together no matter where the new boundaries might be. In recent years we have also worked closely with our local Councillors and other residents on the Mackworth side of the ward.
