Review Officer
Local Government Boundary Commission for England

We are aware that a proposal exists to realign the parishes of Queenhill and Holdfast from their current affiliation with the Longdon Ward.

The proposal is for them to be newly aligned with the Ward of Ripple.

We own several properties within the area concerned and they have been in this family's ownership for over 100 years.

We write as affected property owners but also on behalf of the occupiers of the properties for whom the proposal is inconvenient and unwelcome.

We would be interested to know the rationale for the proposed change.

We can foresee only negative impacts for local people.

Please let it be known that we are strongly opposed to this proposal.

Regards
