### Comment text:

I have lived on Broomwood for over 50 years and I am shocked that you want to cut this established community in half. Timperley is spread all over the place and is made up of small recognised communities within its bounds. Broomwood is the biggest and most prominent of those communities. Everyone living in Broomwood is disgusted by this suggestion. Broomwood was built around the Broomwood School, Broomwood Pub, Broomwood Community Centre, Broomwood shops, Broomwood Post office, Broomwood Pharmacy, Broomwood Medical Centre. NOTE not once is Timperley mentioned in these named buildings. Broomwood is enclosed by Shaftesbury Ave, Timperley Brook, Ridgeway Road and Thorley Lane always has been and should always be and in one ward only. Please do listen to my comments otherwise you will damage our community and democracy itself I am writing on behalf of the Friday over 50's group that have been meeting in the Broomwood Centre for over 45 years. All our members are in agreement that this needs correcting  
Thank you
