Proposed new electoral boundaries of Upper Welland to Welland and Longdon.

I object to the proposed changing of the Electoral boundaries of Upper Welland to form part of Welland and Longdon from the present connection to Malvern Wells .

My reasons are as follows-

Upper Welland is physically joined to Malvern Wells.

Upper Welland residents use shops and petrol filling station in Malvern Wells .

Upper Welland children attend Malvern Wells Primary school.

Upper Welland is an AONB and conservation area as is Malvern Wells.

Upper Welland occupies a site at the foot of the Malvern Hills as does Malvern Wells (I can walk onto the Malvern Hills within 5 minuets).

Upper Welland has residents who are members of the Malvern Wells Parish Council.

Surely changing the boundaries to join a village which is more than a mile away and has not the connections Malvern Wells does makes little sense.
