Bucklow St Martin's includes a chunk of addresses at the top of Manor Ave. I'm not sure why these addresses are lumped in with Carrington addresses, rather than St Mary's or Ashton-on-Mersey. I assume it's to boost numbers in that ward. However these addresses have more in common with their neighbouring wards in Sale than Carrington. Also if Carrington is getting a new housing estate, then this part could be redistributed to Sale wards. I've shown how you can cut using the natural road ways.
