### Comment text:

I live in croxteth park and we seem to be overlooked all the time in favour of the croxteth area. I fell residents on our estate would benefit greatly from having our own Councillor. We need support to get things done rather than just depending on people power, although this has been very successful in recent times fighting planning permission for alterations in our shopping area. We just Don seem to have funds directed in our direction at all, our kids have no facilities, unless they like football. So, yes, give croxteth park their mown Councillor please
