I have a couple of comments on the proposals. Firstly with regards to Trench Lock (where I live) - I welcome the move to Hadley & Trench Lock. My address is Hadley, and I am part of the Hadley community. I shop in Hadley, my children went to school at HLC and there are strong links with the area. I do not have any community links to Oakengates, which is the ward Trench Lock currently sits in, so I welcome this change. I feel that it is a mistake to separate Oakengates and Ketley Bank as these areas have very strong community links. You seem to have assumed (purely because of the names) that Ketley and Ketley Bank share strong links - but if you ask any resident in the area, they would say that Ketley has far more links with the Overdale area, than it does to Ketley Bank (they are not even linked - as they are separated by the Red Lake area) Oakengates and Ketley Bank have very strong links - so I feel these areas should be looked at again.
