Where is APLEY? It looks like it is proposed to merge this with Hadley and Leegomery. I think this is wrong . APLEY has its own identity and it's own focus especially with the local attraction being the woods which is used by so many people in the Borough. APLEY is so much different to Leegomery and indeed Hadley and it should not be simply wiped off the map. APLEY has its own character it stands proud in the Borough and with rich history. Furthermore, With recent housing developments in Peregrine Way and those on the current Ex. Maxell site APLEY will grow in stature .
