### Comment text:

I live in central Oakengates with my wife and I am also a volunteer at Second Wombridge Scouts Group. I grew up in Trench Lock and moved to Oakengates as an adult. This is the place which I consider home. Many of the cubs and scouts who attend our group come from all over the current ward area, with children from Oakengates, Ketley Bank, Beveley, Wrockwardine Wood and Trench Lock. I feel that the separation of Oakengates does not reflect the true community of the town and therefore I would like you to look again at the proposals and ensure that this community is not divided. Thank you.
