Comment text:

I would like to keep Apley Castle as an independent member ward. This is because Apkey castle identifies with Past history which we have fought hard to establish. The woods and local nature reserve attracts visitors and volunteers (of which I am one) to maintain the areas environment. Residents feel an identity with Apley and all its history and therefore are more accountable. This has been working well since 2003 and I don't understand or see any reason to change it back. Please do not take a backward step on all the hard work Apley as a ward has managed to do and will continue to do.
