I strongly object to the proposed changes as a resident of Murrow. Moving boundaries and disrupting the close relationship we have with the neighbouring villages, and moving our counsellors potentially several villages away from Murrow issues is not reasonable for the addition of one extra counsellor seat. Please be more transparent with these "consultations". This is a bit Hitchhikers Guide to the Galaxy hidden away so we had to be told by a concerned friend that this was even being considered. Are we supposed to check your website on the off-chance something is being considered?
