Organisation Name:

Comment text:

I think this ward should be redrawn to follow the A4640 and not have a kink in it to pick up part of Donnington Wood. The planned housing expansion in Muxton should more than compensate for moving the Donnington Wood part into the Donnington ward, Also most of the residents in Donnington Wood send their children to schools in the Donnington ward and use the local shops, Community Centre and Churches based in the Donnington ward.
