Subject: Proposed change to Bookham electoral ward

Categories: Submissions, [REDACTED]

Hi

We object to the proposal (ref LGBC review of MVDC ward boundaries) to create a new Eastwick Park ward. Creation of Eastwick Park ward would dissect Bookham High Street in two (between the Bookhams and Eastwick Park wards). This is bizarre, as Bookham High Street is the centre of Bookham village. If effected, it will mean that the new electoral arrangements do not reflect the village's identity. It will also make it more difficult for ward councillors to represent and effect change for Bookham village, as twice as many councillors will need to get up to speed on local issues as currently.

We trust that our objection will be taken into account as the proposals are reviewed.

Best
