### Comment text:

I object to Leaside Way and the 'Wight estate' being taken out of Swaythling ward and moved into Bassett ward, for the following reasons: 1) This will split the Herbert Collins Estate (Ethelburt Avenue) Conservation Area into two different wards. This estate has a very strong community and residents association and it makes no sense to divide this up. 2) As a resident of Leaside Way I identify much more closely to Swaythling and the Ethelburt Estate & Flowers Estate than I do with Bassett. I am therefore concerned that my views / concerns / interests would not be well represented by a councillor representing Bassett that has a very different demographic and community to Swaythling. It feels like the Leaside Way & Wight estate has been tagged on to Bassett ward as an after thought.
