

## Southampton City Council

### Personal Details:

**Name:**

**E-mail:**

**Postcode:**

**Organisation Name:**

### Comment text:

You are asking residents to comment of future boundaries, but without having an idea of where the new lines would be drawn, it is difficult to comment. According to the current lines I live in Swaythling, but was always told it was Bassett. I have no real objection to being in either. However, living in Bassett is viewed as being in the 'posh' area of the City.
