I live near golden grove. Residents in St Mary's (golden grove area) have strong community links with areas like Kingsland, Chapel and Holyrood with St Mary's st acting as a local high street for the area. our issues are similar, we visit the Kingsland shops daily and a lot of our issues come from there. currently there are natural boundaries around this area separating from what is currently the Bevois boundary - these are Six Dials and the railway lines. I Propose to keep it in Bargate South and make minor adjustments with other boundaries eg lower bargate north line to railway etc
