Subject: Proposed ward boundaries Southampton

[REDACTED] [REDACTED]

Dear Review Officer

I have no comments on the proposals for new ward boundaries in Southampton other than the proposal to name the new ward Bargate North. This seems highly unimaginative and has little affinity with electors in the Northlands Road area.

There are a number of possible alternatives, Polygon being an obvious one. However I suggest the new ward be called Banister. There was a Banister ward in existence till the mid 1970s, with boundaries similar to the proposed Bargate North. Bannisters Park and Bannisters Court are on my map of Southampton dating back to the late 1800s.

Yours faithfully
