Change to Sholing/Bitterne Paragraph 71 Proposal is to move the ward boundary to rear of Valentine Avenue properties and move those properties into the Bitterne Ward . The boundary should be slightly extended to include Finzi Close which is to the rear of the Valentine Avenue properties. There are only 14 properties and no room for expansion therefore dramatic increase in electors. Moving Finzi Close into the Bitterne Ward will move them much closer to the the Polling Station and hopefully easier participation in the election process
