### Comment text:

Dear Southampton City Council, I would like to object the proposals. Itchen Park Industrial Estate and Southern Water Treatment Works at the top of Kent Road should remain in Portswood Ward as is Kent Road. The only access to this industrial estate is via Kent Road and HGV movements have great impact on Kent Road residents. For number of years Kent Road residents are campaigning to reduce HGV movements with our ward councillors and moving the industrial estate into different ward will have huge impact on the work that has been done so far. I would like to see the logic behind this move, as I can't see any. [REDACTED]
