Subject: NORTHAMPTON BOUNDARY CHANGES

Would have been useful if you'd put a link on your FB page, instead of just the address.

Quite frankly, the fewer councillors we have, the better.

Westminster MP's represent roughly 100,000 constituents.

The Scottish Parliament MSP's represent about 40,000, the Welsh Assembly members about 50,000, and Northampton, about 5,250.

We need better value for money.

Kindest regards
