### **Daventry Town**

The town of Daventry is distinct from the surrounding area as it is a sizeable town rather than a village. The population of Daventry means it should be represented by five members, I believe the town would be best served by five single member wards. Even though these wards will be at the upper limit of the 10% variance I believe the needs of the town and surrounding villages do not make sense to have a wards which combine parts of the town and surrounding villages.

### **Lang Farm and Monkmoor**

The boundaries of the ward are the A361 to the East, Norther Way and Daventry Reservoir to the South and the boundary of the Parish to the West and North.

These two newer estates, Lang Farm in the early 2000s and Monksmoor still being built will have a common community area due to be built on the Monksmoor estates and also have a shared school, Monksmoor Park CE Primary School.

### **Ashby Fields and Middlemore**

The boundaries of the ward are The A361 and Northern Way to the West, Eastern Way to the South, Ashby Road, the A361 and the parish boundary to the North.

Ashby Fields Primary School and Falconers Hill Schools serve most of the ward. There are shops and pubs which serve the ward in Middlemore and Ashby Fields.

### **Timken and Headlands**

The boundaries of the ward are the A361 to the North, Leamington Way, Yeomanry Way and Warwick Street to the south and Ashby Road to the East.

The Timken and Headlands estates and interconnected and share shops and football and bowls club.

### **The Grange**

The boundaries of the wards are Leamington Way to the North, Yeomanary Way and Western Avenue to the East and the parish boundary to the South and East.

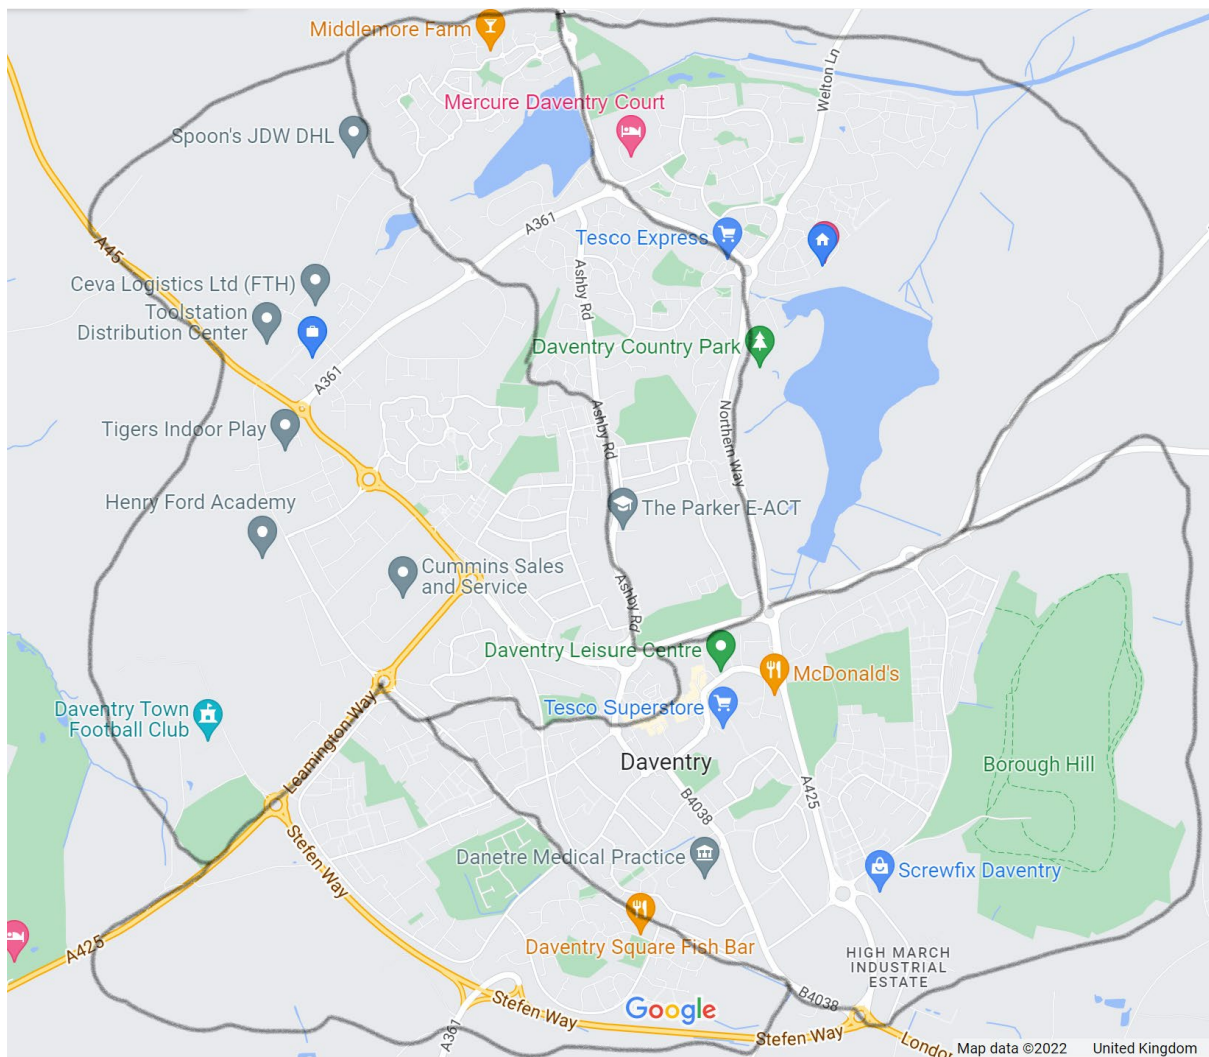

There are shops, a public and primary school at the centre of the ward on the Grange estate.

### **Hill**

The boundaries for the ward are the parish boundaries to the south and west, Daventry Reservoir to the North and Western Avenue, Warwick Street, The High Street and Northern Way.

The two central areas too the ward are the town centre, with the shops, Abbey Junior school and St. James Infant school. In the Southbrook estate the central area is the community centre, DSLV schools and shops.
