Comment text:

Pensax Parish Council met on the 19th July to discuss the issues of the proposed boundary changes. The proposal from Abberley Parish Council to create a two-member ward consisting of the old Woodbury and Baldwin wards, as they were before the last re-organisation, is supported as is the transfer of Pensax into the Lindridge ward where Menith Wood Village, which is divided between Lindridge and Pensax parishes, will be represented together. Stu Meese (Chair of the Pensax Parish Council)
