

## Guildford Borough Council

### Personal Details:

**Name:** Helen Myers  
**E-mail:** clerk@pirbright-pc.gov.uk  
**Postcode:** [REDACTED]  
**Organisation Name:** Pirbright Parish Council

### Comment text:

Pirbright Parish Council would wish to retain the existing boundary arrangements whereby Pirbright is part of the Woking electoral constituency, currently represented by Jonathan Lord MP, since we have, as a Parish, a unique position linking Guildford and Woking Boroughs. Our connection with the Armed Forces via the ATC at Pirbright forms a key part of our constituency, our community and our identity, with families feeding into Pirbright schools and community organisations. Our ability to be represented through the Woking parliamentary constituency has worked effectively to reinforce these associations and the community's connection with the Armed Forces Covenant. This works well with our representation on Guildford Borough Council and at Surrey County Council level and ensures that our community has been well represented in all of the relevant policy discussions, including those at Westminster where we feel that our voice is currently heard. The Parish Council hopes our comments will be noted. Yours faithfully Helen Myers Clerk to Pirbright Parish Council [REDACTED]
