I am not happy with Coalway road coming under graisley as: 1) we have shops which are unique to penn. 2) we have felt part of the "family" being under Penn, my children attended the local school - highfields. 3) we are also closer to Penn then graisley. 4) our house prices will slip being under graisley, we brought our property especially to be on the Penn ward. 5) it's not fair other areas around us are not considered for boundary changes, why should we suffer disadvantages due to mixing up of boundaries. 6) my self and my neighbours identify Coalway road as Penn - this is part of our identity of living in Wolverhampton. We would seriously consider moving away from Wolverhampton if this boundary issue goes ahead, we are not happy with this draft proposal, considering Coalway road as part of the graisley ward.
