Penn Ward Boundaries should be maintained as they currently are. Penn Ward has similarities with Merry Hill, Tettenhall Regis, and Tettenhall Wightick and these three Wards are already recommended by LGBCE and local council to remain as they are. The test around clear boundaries is definitely compromised as relinquishing both sides of Coalway road to Graiseley and taking both sides of the Goldthorn Hill and Coton Road to Blakenhall leaves Penn Ward no strong, clearly identifiable boundaries. The other test around reflecting community identity has been ignored, Penn Ward will lose its well-loved and only Catholic Church in our community. Saint Michael's church at the moment comes under the Penn Ward and a lot of Penn residents are proud of this local Community Church, The average number of electors in a Ward per councillor is 3175, the proposal to maintain Penn ward as it is will still leave the counsellors with electors within the range of 10% of the average of electors over the forecast period 2026. Penn Ward has some lovely shops like Tantastic and all the other shops around it on the corner of Coalway Rd, these shops are well used by local people and these nice unique shops are a part of the "character of Penn Ward". This community shopping area fits in well with Penn Ward and Graiseley already has its own community shopping areas
