I strongly do not agree with the proposal of Coalway Road being removed from Penn Ward. My address is Coalway Road, Penn, I have lived here for over 20 years and purchased this house within the Penn Ward and the borough of Penn, not for it to be changed to Graiseley Ward. This would significantly change the value of my house and would be detrimental to the Penn/ Coalway Road community identity, I am proud to say I have lived in Penn Ward and Borough for over 50 years as a choice, all mine and my extended family live in Penn and have strong historic links to Penn including schools, dentists and doctors. I have stayed in Penn for a reason; because I like living in Penn Ward! Coalway Road currently is a clear boundary between Penn and Graiseley, if the current proposal goes ahead Penn will no longer have clear boundaries. I would also like to know how this change will affect the school catchment area? My other major concern is the detrimental effect on the cost of my house and car insurance, it is a fact where you live reflects the premium you pay. The higher the crime rate or risk of crime the more premium you pay. Please consider why you need to change the boundaries and the negative effect this will have on the residents.
