i wish to the proposed Penn boundary changes for the following reasons I have been a member of St Michaels Catholic Church for many years and have always believed we are the Catholic Church for Penn and as such belong to the long standing Echumenical Church Covenant for the Penn area. Moving the boundary will remove our church from the Penn area leaving no representation of the Catholic church in that area and undermining long held relationships between our varied denominations unless there is an underlying good reaso I am unaware of I would like to register a request for the Penn boundaries to remain unaltered
