I am a resident of Calver Close Oakwood and wish my thoughts to be noted ... I bought a house in Oakwood and wish to stay in Oakwood, I completely disagree with the Labour Council's wishes to split the area known as West Oakwood into Breadsall hilltop. Why suddenly has this been put forward ? Will this effect my house price ? I'm sure it will in the long term ! I'm disgusted that residents of West Oakwood are being treated this way. We have a lovely community and your going to destroy it , my street is manly made up of elderly residents who are all disappointed and disgusted with the way our community are being treated . WE WANT TO STAY AS OAKWOOD Kind regards [REDACTED] Oakwood resident!
